SUMMARY:

Healthcare Navigators serve a vital role in helping consumers prepare applications to establish eligibility and enroll in coverage through the Health Insurance Marketplace, the programs in Florida KidCare, Florida Medicaid, or localized safety-net resources (i.e. county health care plans). This includes screening to help consumers find out if they qualify for insurance affordability programs, and if they are eligible, to get enrolled. Healthcare Navigators also provide outreach and education to consumers to raise awareness about publicly funded healthcare programs available to them. Healthcare Navigators work closely with the Program Coordinators assigned to a geographic region, as well as with the Director of Operations. The Executive Director will ultimately have oversight of the Healthcare Navigator position.
